## GIN & TONIC

### Bombay Sapphire

€ 12,20

*The beauty of Bombay Sapphire Gin is in the taste. The botanicals are nicely balanced and add a crispness to the spirit. The ingredients are an international affair and include Italian juniper berries and orris root, Spanish almonds and lemons, grains of paradise from West Africa, Chinese licorice and cassia bark, angelica from Saxony, Moroccan coriander and cubeb berries from Java.*

### Hendrick's

€ 14,50

*Distilled and bottled in Scotland, Hendrick's is a super premium gin with a subtly different botanicals recipe that includes a unique infusion of rose petals and cucumber alongside more traditional botanical ingredients. Hendrick's specializes in being different with a distinctive toffee-brown bottle that is reminiscent of an old fashioned apothecary's bottle, a clever reference to gin's medicinal origins.*

### Monkey 47

€ 15,20

*An unusual gin from the Black Forest in Germany, Monkey 47 contains a unique ingredient, Lingonberries. The 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%. It seems that the botanicals speak for themselves, as the gin has received bucketful's of critical acclaim. Some say less is more, not for Monkey 47*
